

From Town to Town (ROSA-X, M.Schirmer)

I will be on the move all day today.
all day and into the night
I can not say today where I came from
I go straight, left or right

My head is spinning and my breath is short
the sun is burning down
It's my decision → to abort
I turn my head around

I feel the wind i go from town to town
i hope my feet will not burn
the roller coaster goes up and down
up and down – for me

A sudden little river crossed my way
but i can't stay to long
there are no hours, only night and day
and the time is never wrong

i have a vision what i used to be
i used to be a bird
i think the bird -was- poor and free
and fly around the world

I wouldn't trade with you for anything
it's not my cup of tea
i don't know what tomorrow → will bring What will be, will be.
