

## good and bad (ROSA-X, M.Schirmer)

I have no peace but it is not so bad not so bad  
the second hand does not move  
i count my good and bad days good and bad and I was glad,  
dream at all dream at all

but I have no interest in working anymore  
it is better we should let it be  
We don't care if we're forever forever poor  
With a smiling so light and free,

There is no reason  
why I shouldn't do it, and right now.  
To tell her later will be worse  
You know, stop here I'm getting out, i' m getting out of here  
let it go, let it go

but I have no interest in working anymore  
it is better we should let it be  
We don't care if we're forever forever poor  
With a smiling so light and free,
